12 dives

What to expect

Diverse Pelagic Life

With over 50 dive sites consisting of everything from ship wrecks to colorful corals, we expect to find pelagic creatures such as Manta Rays, Whale Sharks, White Tip and Black Tip sharks and more. It's also a place with diverse macro life. All in all, plenty to see and observe!

Scuba Diving

This itinerary is made for scuba diving. Over 5 days, we will be doing 12 dives. With depths touching 30m, divers with advanced Open Water certification/equivalent and above can join. Dives start early in the day, and we finish by late noon. A night dive is included.

Team Spirit

Relaxed Surface intervals, light hearted conversations and dive stories will form our ocean adventures.

Conservation

Respect for wildlife and for each other is a matter of course for us. Animals will not be chased or will be forced into interactions. We request you to carry a sense of respect and understanding for the ocean, it's creatures, and practices that can have adverse effect on the ocean.

Includes

- > 12 dives (*advanced open water divers and above*)
- > Bed and Meals (*3x/day, 6 nights, 7 days, twin sharing*)
 - > Island transfers
 - > Equipment rentals
 - > Dive insurance
- > An SSI ecology course of your choice
 - > Local taxes

Excludes
