

Ocean's CANVAS

UNDERWATER PHOTOGRAPHY WORKSHOP BALI - TULAMBEN, 11-18 NOVEMBER

Workshop led by Shinto (@FloodedCamera)

Shinto is an award winning underwater photographer based in Singapore. He is one of the Founding Members of Loud Ocean Creative Studio, who love helping new underwater photographers in their creative journey.

Beginner Friendly

Interested in underwater photography and want to get started? Come join us! From an action camera to DSLR, we focus on how to create a compelling image through story telling & technique. No camera? No problem! You can rent one of our Compact Cameras for the workshop.

Utama Villa Tulamben

Utama Villa is a small resort designed for underwater photographers. Full board, 7 nights + 17* dives!
